External Funding Allocation: Winter 2008-2009

| Organizations | Program Description | Allocation Description | Date | Award Allocation |
|---|--|--|----------------------------------|-------------------|
| Movimiento Estudiantil Chiana/o de Aztlan (MEChA) | Soul Xpressions is an event that helps engage students with their creative and artistic side. It revolves around the expression of the soul through artistic ways such as dancing, painting, drawing, graffiti, and spoken word. The goal of this event is to give a space for students to express themselves and display their artistic talent to a group of people. This event has a series of workshops. | Funding is to cover food (fruit platter, veggie platter, water, juice), utensils, and decorations. | 4/24/09 | \$250.00 |
| African/Black Student Alliance (A/BSA) | The African Black Coalition is an alliance of the ten University of California undergraduate campuses. The organization works towards improving the conditions of students of African descents on UC campuses. This coalition has an annual conference that is aimed at networking and providing students with a strong support to overcome feelings of stress, anxiety, lack of motivation and insecurity due to the low numbers of students of African/Black descent within higher education. This conference focuses on increasing the numbers of students from this community. The information gathered at the conference will be brought back to help educate the UCSC campus and A/BSA plans to facilitate workshops to educate the campus on issues affecting African/Black students. | Funding to cover hotel rooms and extra van for 61 students to attend the conference. | 2/22/09 | \$1,000.00 |
